Re: FPPC No. 090522; Joseph Harn

Dear Mr. Harn:

The Fair Political Practices Commission (the "Commission") enforces the provisions of the Political Reform Act (the "Act") found in Government Code Section 81000, and following.

On July 20, 2009, you were notified that the Commission had initiated an investigation of allegations that you violated the Act when you failed to disclose an investment in an accountancy business and possible income on your statement of economic interests.

After review of the complaint and additional information, the Commission has found no violation of the Act and has closed its file without any further action.

If you have any questions regarding this decision, please contact the Enforcement Division at (916) 322-5660.

Sincerely,

REDACTED

Gary S. Winuk
